

### **Somerville Avenue Traffic Closing – July 23rd**

This is Lesley Delaney Hawkins from the City of Somerville with important information about a street closure in your area. Beginning Wednesday, July 23rd and continuing through Friday, July 25th, between the hours of 7:30am and 4pm, vehicles will not be able to access Somerville Avenue westbound from Bow Street in order to allow NSTAR Gas to install a new gas main. During this period, westbound traffic leaving Union Square traffic will be detoured from Bow Street onto Summer Street, then left onto School Street in order to reconnect to Somerville Avenue westbound. No bus stops will be affected during this project. We apologize for the inconvenience and appreciate your patience during this process. For more information please call 311 during normal business hours.

### **Somerville Avenue Sewer Interruption – August 21<sup>st</sup>**

Hello, this is Jackie Rossetti from the City of Somerville with important information about a planned temporary sewer service interruption in your neighborhood. For residents and businesses between 444 Somerville Avenue and Church Street, the temporary interruption will begin on Thursday, August 21st. For residents and businesses between 446 Somerville Avenue and Dane Street, the interruption will begin on Friday, August 22nd. Both of these interruptions will last from 7am until approximately 5pm. During this period, individuals should limit sewer use as much as possible. Please refrain from using washing machines and dishwashers, and limit sink and shower usage to a bare minimum. If you must shower, water should be left in the tub until your service has been restored. If you have a sump pump that discharges into the sewer, it must also be disconnected during this work. If you notice any odor while the work is under way, you can minimize it by pouring one or two gallons of water down your unused plumbing fixtures and basement floor drains. If you notice an odor in your home, open your windows for ventilation and immediately notify a member of the on-site work crew. For more information please call the city's constituent service center by dialing 311.

### **Somerville Avenue Parking Restrictions (A) – August 22nd**

This is Lesley Delaney Hawkins from the City of Somerville with important information about parking restrictions related to the Somerville Avenue reconstruction project. Curbside parking is currently restricted on both sides of Somerville Avenue from Union Square to West Bow Street. These restrictions will remain in place until approximately Friday, August 22nd. During this time, resident permit parking restrictions will be lifted on all side streets in this area. We apologize for any inconvenience and appreciate your patience as this essential improvement to our transportation infrastructure continues. For more information please call 311 during normal business hours.

### **Somerville Avenue Parking Restrictions (B) – August 22nd**

This is Lesley Delaney Hawkins from the City of Somerville with important information about parking restrictions related to the Somerville Avenue reconstruction project. Curbside parking is currently restricted on both sides of Somerville Avenue from Porter Square to Beacon Street. These restrictions will remain in place until approximately Friday, August 22nd. During this time, resident permit parking restrictions will be lifted on all side streets in this area. We apologize for any inconvenience and appreciate your patience as this essential improvement to our transportation infrastructure continues. For more information please call 311 during normal business hours.

### **Union Square Road Closures – August 22nd**

This is Lesley Delaney Hawkins from the City of Somerville with important information about temporary road closures in the Union Square area. Beginning Monday, August 11th and continuing until approximately Friday, August 22nd, drivers will not be able to turn left from Somerville Ave eastbound onto Bow Street westbound, and drivers on Bow Street westbound will not be able to turn left onto Somerville Avenue eastbound. During the temporary closures of these turning lanes, marked detours will provide continued access to both streets, and Union Square will remain open to traffic, although drivers may experience some delays. We appreciate your patience during this essential upgrade to our transportation infrastructure. For more information please call 311 during normal business hours.

### **Somerville Avenue Sewer Interruption-August 24, 2008**

Hello, this is Jackie Rossetti from the City of Somerville with important information about a planned temporary sewer service interruption in your neighborhood. On Sunday, August 24th beginning at 7pm and lasting overnight until 7am Monday morning, residents and businesses between 358 Somerville Avenue and 33 1/2 Union Square will experience a temporary service interruption. During this period, individuals should limit sewer use as much as possible. Please refrain from using washing machines and dishwashers, and limit sink and shower usage to a bare minimum. If you must shower, water should be left in the tub until your service has been restored. If you have a sump pump that discharges into the sewer, it must also be disconnected during this work. If you notice any odor while the work is under way, you can minimize it by pouring one or two gallons of water down your unused plumbing fixtures and basement floor drains. If you notice an odor in your home, open your windows for ventilation and immediately notify a member of the on-site work crew. For more information please call the city's constituent service center by dialing 311.

### **Somerville Avenue Sewer Interruption-August 25, 2008**

Hello, this is Jackie Rossetti from the City of Somerville with important information about a planned temporary sewer service interruption in your neighborhood. On Monday, August 25th beginning at 7pm and lasting overnight until 7am Tuesday morning, residents and businesses between 358 Somerville Avenue and Church Street will experience a temporary service interruption. During this period, individuals should limit sewer use as much as possible. Please refrain from using washing machines and dishwashers, and limit sink and shower usage to a bare minimum. For more information please call the city's constituent service center by dialing 311.

### **Somerville Avenue Sewer Interruption-August 26, 2008**

Hello, this is Jackie Rossetti from the City of Somerville with important information about a planned temporary sewer service interruption in your neighborhood. On Tuesday, August 26th beginning at 7pm and lasting overnight until 7am Wednesday morning, residents and businesses between 480 Somerville Avenue and Park Street will experience a temporary service interruption. During this period, individuals should limit sewer use as much as possible. Please refrain from using washing machines and dishwashers, and limit sink and shower usage to a bare minimum. If you must

shower, water should be left in the tub until your service has been restored. If you have a sump pump that discharges into the sewer, it must also be disconnected during this work.

If you notice any odor while the work is under way, you can minimize it by pouring one or two gallons of water down your unused plumbing fixtures and basement floor drains. If you notice an odor in your home, open your windows for ventilation and immediately notify a member of the on-site work crew.

For more information please call the city's constituent service center by dialing 311.

#### **Somerville Avenue Sewer Interruption-August 27, 2008**

Hello, this is Jackie Rossetti from the City of Somerville with important information about a planned temporary sewer service interruption in your neighborhood.

On Wednesday, August 27th beginning at 7pm and lasting overnight until 7am Thursday morning, residents and businesses on Somerville Avenue between Beachery Court and Park Street will experience a temporary service interruption.

During this period, individuals should limit sewer use as much as possible. Please refrain from using washing machines and dishwashers, and limit sink and shower usage to a bare minimum. If you must shower, water should be left in the tub until your service has been restored. If you have a sump pump that discharges into the sewer, it must also be disconnected during this work.

If you notice any odor while the work is under way, you can minimize it by pouring one or two gallons of water down your unused plumbing fixtures and basement floor drains. If you notice an odor in your home, open your windows for ventilation and immediately notify a member of the on-site work crew.

For more information please call the city's constituent service center by dialing 311.

#### **Somerville Avenue Sewer Interruption-August 28, 2008**

Hello, this is Jackie Rossetti from the City of Somerville with important information about a planned temporary sewer service interruption in your neighborhood.

On Thursday, August 28th beginning at 7pm and lasting overnight until 7am Friday morning, residents and businesses between 628 Somerville Avenue and Bleachery Court will experience a temporary service interruption.

During this period, individuals should limit sewer use as much as possible. Please refrain from using washing machines and dishwashers, and limit sink and shower usage to a bare minimum. If you must shower, water should be left in the tub until your service has been restored. If you have a sump pump that discharges into the sewer, it must also be disconnected during this work.

If you notice any odor while the work is under way, you can minimize it by pouring one or two gallons of water down your unused plumbing fixtures and basement floor drains. If you notice an odor in your home, open your windows for ventilation and immediately notify a member of the on-site work crew.

For more information please call the city's constituent service center by dialing 311.

#### **Somerville Avenue Parking-A August 29, 2008**

This is Lesley Delaney Hawkins from the City of Somerville with important information about parking restrictions related to the Somerville Avenue reconstruction project. Curbside parking is currently restricted on both sides of Somerville Avenue from Mossland to Elm Street. These restrictions will remain in place until approximately Friday, September 5th. During this time, resident permit parking restrictions will be lifted on all side streets in this area. We apologize for any inconvenience and appreciate your patience as this essential improvement to our transportation infrastructure continues. For more information please call 311 during normal business hours.

**Somerville Avenue Parking-B August 29, 2008**

This is Lesley Delaney Hawkins from the City of Somerville with important information about parking restrictions related to the Somerville Avenue reconstruction project. Curbside parking is currently restricted on both sides of Somerville Avenue from Church to Dane Street. These restrictions will remain in place until approximately Friday, September 5th. During this time, resident permit parking restrictions will be lifted on all side streets in this area. We apologize for any inconvenience and appreciate your patience as this essential improvement to our transportation infrastructure continues. For more information please call 311 during normal business hours.

**Somerville Avenue Sewer Interruption-August 31, 2008**

Hello, this is Jackie Rossetti from the City of Somerville with important information about a planned temporary sewer service interruption in your neighborhood.

On Tuesday, September 2nd beginning at 7pm and lasting overnight until 7am Wednesday morning, residents and businesses between 628 Somerville Avenue and Craigie Street will experience a temporary service interruption.

During this period, individuals should limit sewer use as much as possible. Please refrain from using washing machines and dishwashers, and limit sink and shower usage to a bare minimum. If you must shower, water should be left in the tub until your service has been restored. If you have a sump pump that discharges into the sewer, it must also be disconnected during this work.

If you notice any odor while the work is under way, you can minimize it by pouring one or two gallons of water down your unused plumbing fixtures and basement floor drains. If you notice an odor in your home, open your windows for ventilation and immediately notify a member of the on-site work crew.

For more information please call the city's constituent service center by dialing 311.

**Somerville Avenue Sewer Interruption-September 1, 2008**

Hello, this is Lesley Delaney Hawkins from the City of Somerville with important information about a planned temporary sewer service interruption in your neighborhood.

On Wednesday, September 3rd beginning at 7pm and lasting overnight until 7am Thursday morning, residents and businesses on the even-number side of Somerville Avenue between 628 Somerville Avenue and Bleachery Court will experience a temporary service interruption.

During this period, individuals should limit sewer use as much as possible. Please refrain from using washing machines and dishwashers, and limit sink and shower usage to a bare minimum. If you must shower, water should be left in the tub until your service has been restored. If you have a sump pump that discharges into the sewer, it must also be disconnected during this work.

If you notice any odor while the work is under way, you can minimize it by pouring one or two gallons of water down your unused plumbing fixtures and basement floor drains. If you notice an odor in your home, open your windows for ventilation and immediately notify a member of the on-site work crew.

For more information please call the city's constituent service center by dialing 311.

### **Bow Street Closure – October 6, 2008**

This is Lesley Delaney Hawkins from the City of Somerville with important information about a temporary street closure in conjunction with the continuing Somerville Avenue reconstruction project.

Beginning on Monday October 6th at 7:30 a.m., the right turn from Bow Street to Somerville Avenue will be closed to all traffic except MBTA buses. West bound traffic seeking access to Somerville Avenue will be diverted along Summer Street to School Street before rejoining Somerville Avenue. Buses will use the same detour after 3:30 p.m. daily using marked, temporary stations as follows:

The Bow Street stop will be relocated to Bow and Summer Street; the Church Street stop will be relocated to School Street; and the School Street will be relocated to the west side of School Street on Somerville Avenue.

This closure will remain in place for approximately 3 weeks. We apologize for any inconvenience and appreciate your patience as this essential improvement to our transportation infrastructure continues. For more information please call 311 during normal business hours. Thank you.

### **Union Square Power Outage – October 10, 2008**

This is Tom Champion from the City of Somerville with important emergency information about a power outage in your area. Earlier today, a delivery truck clipped a utility pole on Bow Street in Union Square, causing a fire and the destruction of an electrical line serving area residents and businesses.

NStar crews are on the scene and have begun temporary repairs, but they cannot fully restore power without conducting a short, controlled power shutdown for the immediate area. This shutdown will occur in the vicinity of 3:15 p.m., and should last no longer than approximately 30 minutes.

An additional short, planned shutdown will be necessary next week in order to make permanent repairs, and we will provide your neighborhood with more information once the permanent work is scheduled. If you have questions or need additional information please call 311.

### **Ward 3 ResiStat Meeting – October 22, 2008**

Hello, this is Jackie Rossetti from the City of Somerville with an invitation to residents of the Prospect Hill area to attend a neighborhood ResiStat Meeting on Wednesday, October 22nd at 7:00 p.m. The meeting will be held on the second floor of City Hall in the Aldermanic Chambers.

At the meeting, City Officials and Alderman Taylor will provide updates on issues of concern for your neighborhood, including reports on Union Square zoning, park construction, and Somerville Ave reconstruction. You will also have a chance to meet your neighborhood police officer.

Please come join us to share your concerns and priorities with city officials.

You are receiving this call because you have signed up for community updates. If you do not wish to receive these calls, please call 311 during business hours and we will promptly remove your number from our call list.

Thank you.
